DOGS.		
Statement of Charges incurred in killing — submitted, sanctioned . .	27th Sept.	27-28
DRAINAGE OF BLACK TOWN.		
Main Sewer.—Military Board express their hope to be able shortly to submit such proposals and suggestions as will obviate the necessity of the proposed great outlay in the —, recorded . .	7th Jan.	74-75
——— Military Board report that it will be difficult to carry out the orders of Government in effecting the improvements to the — without additional expense, and submit a proposition of the Chief Engineer for remedying the evil complained of. The Justices in Sessions complain of the Government order respecting this drain, &c., not having been carried into effect. The immediate execution of the orders directed. The Board to state whether the works already ordered will interfere with the scheme they propose submitting, and the opinion of the Justices in Sessions on the minor improvements suggested by the Chief Engineer called for	15th Apr.	31-33
——— Further communications from the Military Board and the Justices in Sessions respecting the improvements, &c., to the —. Minutes thereon by the President and Honorable Mr. Eliott. The Board immediately to submit a plan and estimate for carrying off the sewerage during the reform of the sewer, and at once to put the latter work in train of execution; also, to report on the question already referred to them as to the expediency of filling up the western ditch instead of making it an open masonry channel; with further instructions, these orders to be considered final, and their execution is in no degree to depend upon the ultimate decision of Government respecting Colonel Cotton's scheme for providing a supply of water for cleaning Madras, &c., which must be referred to the Court . .	14th June	6-12
——— Amount of estimate for reforming a certain portion of the — requested by the Military Board to be placed at its disposal to be issued when requisite. Injurious consequences likely to result from allowing the sewerage to be discharged into the Cooum brought to notice and a remedy provided. Opinion of the Justices in Sessions called for, also that of the Medical Board	26th July	42-43

	Dates of Proceedings.	Nos.
DRAINAGE OF BLACK TOWN—*continued.*		
Main Sewer.—Communications from the Medical Board and Justices in Sessions respecting the improvements, &c., to the —. Concur in the opinion that the plan proposed by the Superintending Engineer for providing for the discharge of the sewerage from the Main Drain during the reconstruction of that portion of it which runs through the north east angle of the Fort, would be injurious to the public health. Think favorably of the plan proposed by the Justices in Sessions for leaving open the present drain whilst certain works are going on. The Military Board to obtain the opinions of the Chief and Superintending Engineers on the plan submitted by the Justices in Sessions; to submit certain explanation and to furnish an estimate for filling up the open ditch at the west esplanade, intimate that, if the plan of the Justices in Sessions be adopted, that body will be requested to undertake the execution of the work and to defray the expense	13th Sept.	26–28

Expense of the Central Institution at the Presidency.—Portion of the —, to be debited to the "General purposes of Education" and not to be included among the charges of the —	15th Feb.	13–17
Formation, proposed, of a Primary School and Collegiate Department in connection with the — and of *Provincial Schools.* Minutes on the subject by Members of Council. Consider the proposal to form a Collegiate Department premature, but will submit the question of Collegiate Classes for the consideration and early orders of the Court. The Head Master to be partially relieved from his present duties for a purpose specified, and an additional Master to be appointed. In other respects, the Board directed to continue the High School on its present footing, but to proceed with the arrangements for organizing a Primary School, also for establishing Provincial Schools, approve the plan of instruction proposed for the Provincial Schools, but recommend that "Mensuration of Land" be added to the subjects of study, observe that the estimated cost of each school is very large, propose to regulate the salaries of the Native Head Masters on a scale similar to that of District Munsiff's, consider a knowledge of the vernacular language to be indispensable to every Master, feel more and more impressed with the desirableness of the "*Grant-in-aid System*" as a medium for the spread of general education	7th Jan.	61, 64-68
Funds.—Rs. 10,000 requested to be placed in the Madras Bank in favor of the —, directed accordingly.	22nd Mar. 24th June 23rd Aug. 22nd Nov.	60-61 49-50 34-35 28-29

	Dates of Proceed-ings.	Nos.
